Do not submit, enter or refer to any fees or costs within the 10-tab "hard copy" proposal submittal detailed within Section 3.0—any proposer that does so may be rejected without further consideration. Each proposer must enter where provided within the noted Bid the proposed unit fees for each of the following Pricing Items. Such fees shall be all-inclusive of all related costs that the Contractor will incur to provide the noted services, including, but not limited to (unless otherwise stated herein): employee wages and benefits; clerical support; overhead; profit; licensing; insurance; materials; supplies; tools; equipment; long distance telephone calls; document copying; etc. You must enter a proposed fee for the majority of Pricing Items (a "No Proposal" is not allowed for any item), though a "No Charge" is allowed for several of the Pricing Items.

[Table No. 5]

RFP Section	Lot No.	Item No.	Qty	U/M	Description
3.2.1					Lot #1: Monthly Maintenance and On-going Services
3.2.1.1	1	1	36	Months	Monthly Maintenance: Forand Manor Annex
3.2.1.2	1	2	36	Months	Monthly Maintenance: Forand Manor
3.2.1.3	1	3	36	Months	Monthly Maintenance: Wilfrid Manor

3.3 Additional Information Pertaining to the Pricing Items:

3.3.1 Quantities: All quantities entered by the HA herein and within the corresponding Pricing Items on the noted bid are for calculating purposes only. As may be further detailed herein, the HA does not guarantee any minimum or maximum amount of work as a result of any award ensuing from this RFP, as the ensuing contract will be a Requirements Contract, in that the HA shall retain one contractor only and shall retain the right to order from that contractor (successful proposer), on a task order basis, any amount of services the HA requires.

3.3.2 Pertaining to the Additional Labor (that may be required), Pricing Items No. 8-10): These Pricing Items are for work that the HA may require that is not already specifically identified within Pricing Items No.'s 1-7.

- 3.3.2.1 Supervisor:** The contractor's assigned skilled staff person who has responsibility to supervise the work at the HA site. This person may, while supervising, also perform work typically assigned to the Installer or the Laborer. It is understood that a Supervisor position will be paid by the HA only if there are 3 or more persons working on the site at the same time; if there is less than 3 persons working at the site at the same time, then the HA will only pay for such staff at the level they are actually working (i.e. Mechanic and/or Helper).
- 3.3.2.2 Mechanic:** The contractor's assigned skilled staff person who typically performs the majority of the required work identified within Pricing Items 1-3.
- 3.3.2.3 Helper:** The contractor's assigned staff person who typically performs the unskilled labor services to assist the other described staff.
- 3.3.2.4 Assumption:** It shall be the HA's assumption that the successful proposer has based his/her proposed pricing for Pricing Items No. 1-3 and 8-10 upon the proposed hourly rates submitted by the proposer for Pricing Items No. 4-6 (and by submitting a proposal in response to this RFP, the successful proposer automatically agrees that such is accurate). Accordingly, the HA may use such assumption, if necessary, to do any lump-sum proposal breakdown calculations during the term of the ensuing contract.
- 3.3.3 Additional Supplies/Materials (Pricing Item No. 7):** Each proposer shall enter this item where provide in the noted bid as a percentage over cost. For instance, if the proposer wishes to provide such items at cost, he/she shall enter "1.00" within the cost area for this item; if the proposer wishes to provide such materials at 30% over cost, he/she shall enter "1.30" within the cost area for this item; and so forth. Please note that this fee proposal shall include the cost of picking up the supplies/materials at the source of supply and delivering such to the work site, meaning, all costs shall be F.O.B. the HA site.
- 3.3.4 Price Escalation:** At the discretion of the CO, at the end of the first one-year contract period (and at the end of any ensuing extended contract period), there may be an escalation of labor costs allowed (Pricing Items 4-6), at the discretion of the CO, at the end of the first one-year contract period (and at the end of any ensuing extended contract period), in the same amount of any escalation that occurs within that contract period pertaining to the companies contract with the applicable International Union of Elevator Constructors (IUEC). Similarly, for ensuing years, the end-date of the previous contract period shall be the base-line date to determine the previous listed wage rate.

 - 3.3.4.1 Notification Must Be Received From Contractor:** The Contractor must notify the CO, in writing, of such desired escalation at least 60 days prior to the end of the noted

contract period(s). Such escalations may occur no more than once in any 12-month period without the express written consent of the CO.

3.3.5 Overtime: Pursuant to the Contract Work Hours and Safety Standards Act, overtime shall be not less than time and one half for hours worked in excess of 40 hours per week. The HA shall consider regular-time to be Monday-Friday (excluding holidays), 8:00am - 4:00pm. Accordingly, the HA will pay a rate of 1.5 of the listed hourly rates within Pricing Items No. 4-6 (or any increased rate that increased per Section 3.3.4 herein) for any work the HA requires the successful proposer to work specifically during non-regular-time hours (the HA shall NOT be responsible to pay the successful proposer for any work that the successful proposer CHOOSES to work during non-regular-time hours).

3.3.6 Davis-Bacon (D/B) and/or State Prevailing Wage Rates: As may apply by statute, regulation or law, if, at any time during the ensuing contract period(s), the HA needs the successful bidder to provide services that require the successful bidder to pay Davis-Bacon or State Prevailing Wages Rates for a specific task order pertaining to the ensuing contract, then to compensate the successful bidder for any amount that the applicable Davis-Bacon or State Prevailing Wage Rates are greater than the portion of the applicable hourly fees listed within Pricing Items No. 4-6 that the contractor actually pays to each such person performing the work, as verified by payroll records (or any similar hourly fee that is increased as a result of Section 3.3.4 herein), the HA shall:

3.3.6.1 Ascertain the applicable portion of the hourly wage rate(s), as listed within the contract, that applies;

3.3.6.2 Ascertain the current applicable Davis-Bacon or State Prevailing Wage Rate(s) that applies;

3.3.6.3 Ascertain the difference between the two rates, which amount the HA will pay to the successful proposer for that task order only.

3.3.6.4 Locating Applicable Wage Rates: As the currently known work pertaining to this RFP is maintenance-related rather than construction-related, accordingly, there is not a D/B or State Wage Rate General Decision attached to this RFP. If, as detailed within 24 CFR 85.36(h)(5), the HA is required to pay Davis-Bacon wage rates (for all “construction contracts in excess of \$2,000”), and for similar State requirements, the HA will then issue a General Decision as it applies to that work. Current Davis-Bacon wages rates may be viewed by following the following listed steps:

- 3.4 Proposal Submission:** All proposals must be submitted and time-stamped received in the designated HA office by no later than the submittal deadline stated herein (or within any ensuing addendum). A total of 1 original signature copy (marked "ORIGINAL") and 2 exact copies (each of the 3 separate proposal submittals shall have a cover and extending tabs) of the proposal submittal, shall be placed unfolded in a sealed package and addressed to:

THE CENTRAL FALLS HOUSING AUTHORITY
Attention: Bridgett M. Duquette
EXECUTIVE DIRECTOR
30 WASHINGTON STREET
CENTRAL FALLS, RHODE ISLAND 02863

The package exterior must clearly denote the above noted RFP number and must have the proposer's name and return address. Proposals received after the published deadline will not be accepted.

- 3.4.1 Submission Conditions:** DO NOT FOLD OR MAKE ANY ADDITIONAL MARKS, NOTATIONS OR REQUIREMENTS ON THE DOCUMENTS TO BE SUBMITTED! Proposers are not allowed to change any requirements or forms contained herein, either by making or entering onto these documents or the documents submitted any revisions or additions; and if any such additional marks, notations or requirements are entered on any of the documents that are submitted to the HA by the proposer, such may invalidate that proposal. If, after accepting such a proposal, the HA decides that any such entry has not changed the intent of the proposal that the HA intended to receive, the HA may accept the proposal and the proposal shall be considered by the HA as if those additional marks, notations or requirements were not entered on such. By accessing the noted Bid, each prospective proposer that does so is thereby agreeing to confirm all notices that the HA delivers to him/her as instructed, and by submitting a proposal, the proposer is thereby agreeing to abide by all terms and conditions published herein and by addendum pertaining to this RFP.
- 3.4.2 Submission Responsibilities:** It shall be the responsibility of each proposer to be aware of and to abide by all dates, times, conditions, requirements and specifications set forth within all applicable documents issued by the HA, including the RFP document, the documents listed within the following Section 3.7, and any addenda and required attachments submitted by the proposer. By virtue of completing, signing and submitting the completed documents, the proposer is stating his/her

THE CENTRAL FALLS HOUSING AUTHORITY (HA)

agreement to comply with the all conditions and requirements set forth within those documents. Written notice from the proposer not authorized in writing by the CO to exclude any of the HA requirements contained within the documents may cause that proposer to not be considered for award.

3.5 Proposer's Responsibilities--Contact With the HA: It is the responsibility of the proposer to address all communication and correspondence pertaining to this RFP process to the CO only. Proposers must not make inquiry or communicate with any other HA staff member or official (including members of the Board of Commissioners) pertaining to this RFP. Failure to abide by this requirement may be cause for the HA to not consider a proposal submittal received from any proposer who may has not abide by this directive.

3.5.1 Addendums: All questions and requests for information must be addressed in writing to the CO. The CO will respond to all such inquiries in writing by addendum to all prospective proposers (i.e. firms or individuals that have obtained the RFP Documents). During the RFP solicitation process, the CO will NOT conduct any *ex parte* (a substantive conversation—"substantive" meaning, when decisions pertaining to the RFP are made—between the HA and a prospective proposer when other prospective proposers are not present) conversations that may give one prospective proposer an advantage over other prospective proposers. This does not mean that prospective proposers may not call the CO—it simply means that, other than making replies to direct the prospective proposer where his/her answer has already been issued within the solicitation documents, the CO may not respond to the prospective proposer's inquiries but will direct him/her to submit such inquiry in writing so that the CO may more fairly respond to all prospective proposers in writing by addendum.

3.6 Pre-proposal Conference: The scheduled pre-proposal conference identified on Page 2 of this document is, pursuant to HUD regulation, not mandatory. Many prospective proposers have previously responded to an RFP with a multi-tabbed submittal and feel comfortable in doing so without attending the pre-conference. Typically, such conferences last 1 hour or less, though such is not guaranteed. The purpose of this conference is to assist prospective proposers in having a full understanding of the RFP documents so that he/she feels confident in submitting an appropriate proposal; therefore, at this conference the HA will conduct an overview of the RFP documents, including the attachments. Prospective proposers may also ask questions, though the CO may require that some such questions are delivered in writing prior to a response. Whereas the purpose of this conference is to review the RFP documents, attendees should bring a copy of the RFP documents to this conference; however, the HA **will not** distribute at this conference any copies of the RFP documents.

4.2 Evaluation Method:

- 4.2.1 Initial Evaluation for Responsiveness:** Each proposal received will first be evaluated for responsiveness (e.g., meets the minimum of the published requirements). The HA reserves the right to reject any proposals deemed by the HA not minimally responsive (the HA will notify such firms in writing of any such rejection).
- 4.2.2 Evaluation Packet for Proposals Deemed Responsive:** Internally, an evaluation packet will be prepared for each evaluator, including the following documents:
- 4.2.2.1** Instructions to Evaluators;
 - 4.2.2.2** Proposal Tabulation Form;
 - 4.2.2.3** Written Narrative Justification Form for each proposer;
 - 4.2.2.4** Recap of each proposer’s responsiveness;
 - 4.2.2.5** Copy of all pertinent RFP documents.
- 4.2.3 Evaluation Committee:** The HA anticipates that it will select a minimum of a three-person committee to evaluate each of the responsive “hard copy” proposals submitted in response to this RFP. PLEASE NOTE: No proposer shall be informed at any time during or after the RFP process as to the identity of any evaluation committee member. If, by chance, a proposer does become aware of the identity of such person(s), he/she SHALL NOT make any attempt to contact or discuss with such person anything related to this RFP. As detailed within Section 3.5 of this document, the designated CO is the only person at the HA that the proposers shall contact pertaining to this RFP. Failure to abide by this requirement may (and most likely will) cause such proposer(s) to be eliminated from consideration for award.
- 4.2.3 Evaluation:** The CO will evaluate and award points pertaining to Evaluation Factors No. 1 and 7 (the “Objective” Factors). The appointed evaluation committee, independent of the CO or any other person at the HA, shall evaluate the responsive proposals submitted and award points pertaining to Evaluation Factors No. 2, 3, 4, 5 and 6 (the “Subjective” Factors). Upon final completion of the proposal evaluation process, the evaluation committee will forward the completed evaluations to the CO.
- 4.2.4 Potential "Competitive Range" or "Best and Finals" Negotiations:** The HA reserves the right to, as detailed within Section 7.2.N through Section 7.2.R of HUD Procurement Handbook 7460.8 REV 2, conduct a “Best and Finals” Negotiation, which may include oral interviews, with all firms deemed to be in the competitive range. Any firm deemed not to be in the competitive range shall be notified of such in writing by the HA in a timely

manner as possible, but in any case within no longer than 5 days after the beginning of such negotiations with the firms deemed to be in the competitive range.

4.2.5 Determination of Top-ranked Proposer: Typically, the subjective points awarded by the evaluation committee will be combined with the objective points awarded by the CO to determine the final rankings, which is typically forwarded by the CO to the ED for approval. If the evaluation was performed to the satisfaction of the ED, the final rankings may be forwarded to the Housing Authority Board of Commissioners (BOC) at a scheduled meeting for approval. Contract negotiations may, at the HA's option, be conducted prior to or after the BOC approval.

4.2.5.1 Minimum Evaluation Results: To be considered to receive an award a proposer must receive a total calculated average of at least 70 points (of the 115 total possible points detailed within Section 4.1 herein).

4.2.5.2 Ties: In the case of a tie in points awarded, the award shall be decided as detailed within Section 6.12.C of HUD Procurement Handbook 7460.8 REV 2, by “drawing lots or other random means of selection.”

4.2.6 Notice of Results of Evaluation: If an award is completed, all proposers will receive by e-mail a Notice of Results of Evaluation. Such notice shall inform all proposers of:

4.2.7.1 Which proposer received the award;

4.2.7.2 Where each proposer placed in the process as a result of the evaluation of the proposals received;

4.2.7.3 The cost or financial offers received from each proposer;

4.2.7.4 Each proposer’s right to a debriefing and to protest.

4.2.7 Restrictions: All persons having familial (including in-laws) and/or employment relationships (past or current) with principals and/or employees of a proposer entity will be excluded from participation on the HA evaluation committee. Similarly, all persons having ownership interest in and/or contract with a proposer entity will be excluded from participation on the HA evaluation committee.

5.0 CONTRACT AWARD:

5.1 Contract Award Procedure: If a contract is awarded pursuant to this RFP, the following detailed procedures will be followed:

5.1.1 By completing, executing and submitting the Form of Proposal, Attachment A, the “proposer is thereby agreeing to abide by all terms and conditions pertaining to this RFP as issued by the HA, either in hard copy

or on the noted eProcurement System,” including the contract clauses already attached as Attachment G, G-1, G-2, and G-3. Accordingly, the HA has no responsibility to conduct after the submittal deadline any negotiations pertaining to the contract clauses already published.

5.2 Contract Conditions: The following provisions are considered mandatory conditions of any contract award made by the HA pursuant to this RFP:

5.2.1 Contract Form: The HA will not execute a contract on the successful proposer's form--contracts will only be executed on the HA form (please see Sample Contract, Attachments G, G-1, G-2, and G-3), and by submitting a proposal the successful proposer agrees to do so (please note that the HA reserves the right to amend this form as the HA deems necessary). However, the HA will during the RFP process (prior to the submittal deadline) consider any contract clauses that the proposer wishes to include therein and submits in writing a request for the HA to do so; but the failure of the HA to include such clauses does not give the successful proposer the right to refuse to execute the HA's contract form. It is the responsibility of each prospective proposer to notify the HA, in writing, prior to submitting a proposal, of any contract clause that he/she is not willing to include in the final executed contract and abide by. The HA will consider and respond to such written correspondence, and if the prospective proposer is not willing to abide by the HA's response (decision), then that prospective proposer shall be deemed ineligible to submit a proposal.

5.2.1.1 Please note that the HA has no legal right or ability to (and will not) at any time negotiate any clauses contained within ANY of the HUD forms included as a part of this RFP.

5.2.2 Assignment of Personnel: The HA shall retain the right to demand and receive a change in personnel assigned to the work if the HA believes that such change is in the best interest of the HA and the completion of the contracted work.

5.2.3 Unauthorized Sub-Contracting Prohibited: The successful proposer shall not assign any right, nor delegate any duty for the work proposed pursuant to this RFP (including, but not limited to, selling or transferring the contract) without the prior written consent of the CO. Any purported assignment of interest or delegation of duty, without the prior written consent of the CO shall be void and may result in the cancellation of the contract with the HA, or may result in the full or partial forfeiture of funds paid to the successful proposer as a result of the proposed contract; either as determined by the CO.

5.3 Contract Period: The HA anticipates that it will initially award a contract for the period of 1 year with the option, at the HA's discretion, of 4 additional one-year option periods, for a maximum total of 5 years.

5.4 Licensing and Insurance Requirements: Prior to award (but not as a part of the proposal submission) the *successful proposer* will be required to provide:

- 5.4.1 An original certificate evidencing the proposer's current industrial (worker's compensation) insurance carrier and coverage amount;
 - 5.4.2 An original certificate evidencing General Liability coverage, naming the HA as an additional insured, together with the appropriate endorsement to said policy reflecting the addition of the HA as an additional insured under said policy (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$5,000,000, together with damage to premises and fire damage of \$50,000 and medical expenses any one person of \$5,000), with a deductible of not greater than \$1,000;
 - 5.4.3 An original certificate showing the proposer's professional liability and/or "errors and omissions" coverage (minimum of \$1,000,000 each occurrence, general aggregate minimum limit of \$5,000,000), with a deductible of not greater than \$1,000;
 - 5.4.4 An original certificate showing the proposer's automobile insurance coverage in a combined single limit of \$1,000,000. For every vehicle utilized during the term of this program, when not owned by the entity, each vehicle must have evidence of automobile insurance coverage with limits of no less than \$50,000/\$100,000 and medical pay of \$5,000.
 - 5.4.5 A copy of the proposer's business license allowing that entity to provide such services within the [IDENTIFY THE APPROPRIATE JURISDICTION];
 - 5.4.6 If applicable, a copy of the proposer's license issued by the State of Rhode Island licensing authority allowing the proposer to provide the services detailed herein.
 - 5.4.7 The requested related information shall also be entered where provided for on the Profile of Firm Form (DO NOT ATTACH SUBMIT COPIES WITHIN THE PROPOSAL SUBMITTAL--we will garner the necessary certificates from the successful proposer prior to contract execution).
- 5.5 **Right To Negotiate Final Fees:** The HA shall retain the right to negotiate the amount of fees that are paid to the successful proposer, meaning the fees proposed by the top-rated proposer may, at the HA's options, be the basis for the beginning of negotiations. Such negotiations shall begin after the HA has chosen a top-rated proposer. If such negotiations are not, in the opinion of the CO successfully concluded within 5 business days, the HA shall retain the right to end such negotiations and begin negotiations with the next-rated proposer. The HA shall also retain the right to negotiate with and make an award to more than one proposer, as long as such negotiation(s) and/or award(s) are addressed in the above manner (i.e. top-rated first, then next-rated following until a successful negotiation is reached).
- 5.6 **Contract Service Standards:** All work performed pursuant to this RFP must conform and comply with all applicable local, state and federal codes, statutes, laws and regulations.
